Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted the applicant's representative to suggest an Examiner's Amendment to put independent claims 1 and 22 in condition for allowance. The suggestion included incorporating limitations similar to independent claim 8 into claims 1 and 22. The representative indicated that he would need to consult his client and then contact the examiner. The representative called the examiner accepting the recommendations and faxed a draft copy of the claims to the examiner. .
